# What to expect from your plant party:

## ALL SUPPLIES PROVIDED

We supply everything needed from set up to clean up. Your party includes plants, containers, soil and top dressing, as well as all the tools needed to craft a beautiful botanical creation.

## YOUR CHOICE OF LOCATION

We can bring our team and supplies to you *or* host you at either of our 2 locations: Sprout, our Downtown Plant Shop, or Cityscapes' Biophilic Design Showroom in the Back Bay.

## EXPERT GUIDANCE

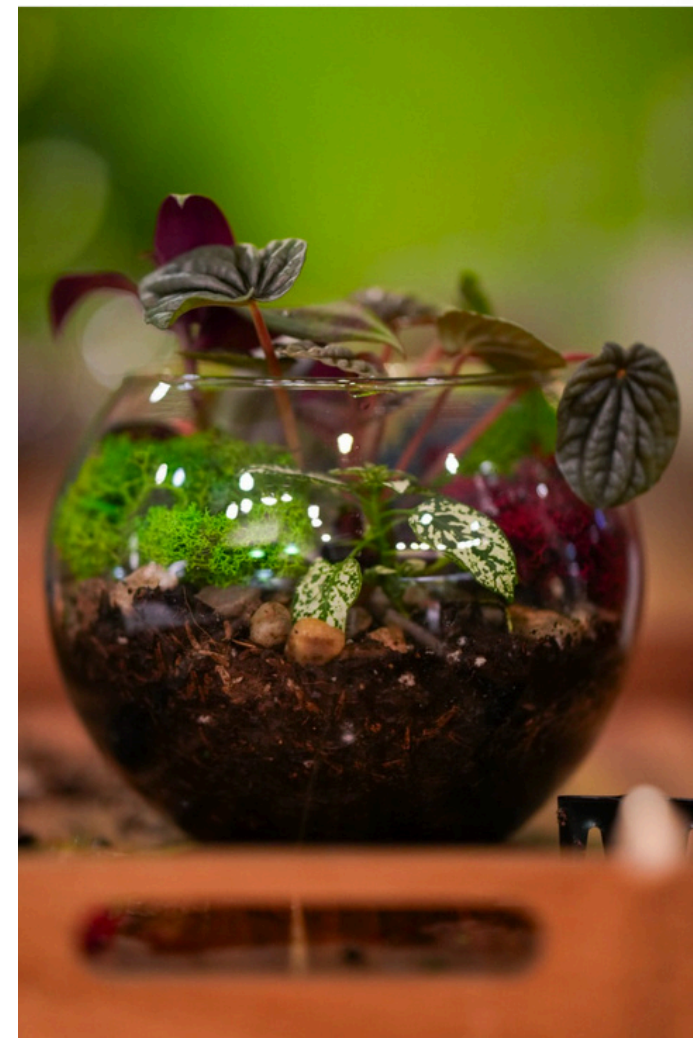

Cityscapes is known for our horticultural and design excellence, and we're happy to share our wisdom. We'll teach you how to pot and care for your new plants and gladly answer any house plant questions you have!

# BEYOND PLANT PARTIES

## Our Scope of Services

Our company provides an integrated suite of services, offering a comprehensive solution to all your plant design needs.

WAYS WE ENGAGE

# Transforming People's Lives Through the Power of Plants

We engage with our community in ways that go beyond our standard service offerings. You'll catch us hosting **retail popups**, participating in **company volunteerism**, and offering our skills for **continuing education programs**.

Meet our charitable plant truck! We sell plants and **donate the profits** to various organizations that matter to our community. Book a TransPlanted event today and engage your tenants while giving back to a cause that is meaningful to you.
